

## **GEV APPOINTS CLARKSONS AS EXCLUSIVE SHIP BROKER**

Global Energy Ventures Ltd (ASX: GEV), a developer of global integrated compressed natural gas (CNG) projects, is pleased to advise that effective 1 April 2018 it has appointed Clarksons Platou (Clarksons) ([www.clarksons.com](http://www.clarksons.com)) as its exclusive ship broker. Clarksons are the world's leading integrated shipping services group and their appointment will provide GEV with the following services:

- Assist with negotiations with the shipyards;
- Assist with the management of the contracts during construction;
- Assist with funding options and financing arrangements.

GEV and Clarksons will now proceed to negotiate with the three pre-selected ship yards contracts for six CNG Optimum 200 ships, with a schedule to select the preferred shipyard in the second quarter 2018.

### About Global Energy Ventures Ltd

The Company's mission is to create shareholder value through the delivery of integrated CNG solutions to global gas markets. CNG is a well proven solution with technical and commercial advantages along with being safe and environmentally friendly. This will be achieved by:

- Continuing the design and construction for **GEV CNG Optimum Technology** and maintain global leadership in marine CNG technology;
- Pursue **multiple CNG projects** to improve the probability of success;
- Secure **access to strategic gas resources** that provides for an integrated CNG gas supply solution;
- Offer CNG project stakeholders **flexible commercial arrangements**;
- Employ **world class management** and staff that are leaders in their chosen discipline; and
- Maintain the **highest standards** of efficiency, safety and environmental responsibility
